What is the California Leadership Academy?

The California Leadership Academy (CLA) is a learning community made up of local community college representatives. The primary goal of the CLA is for participants to develop advanced leadership skills, gain increased knowledge of the history and importance of unionism, and learn more about our important statewide organizations.

Graduates of the CLA are CCA board members, local leaders, statewide leaders, and important faculty advocates in California. CLA participants have the unique opportunity to learn from CCA leaders, CTA staff, and each other.
