

CCA CONFERENCE THEMES/DESCRIPTIONS

Fall – Bargaining

The Fall Conference is held in early October and focuses on collective bargaining. It is an ideal time for bargaining teams and members to attend a conference dedicated to enhancing bargaining skills and coordinating bargaining strategies with other local unions throughout the state.

Winter – Advocacy

The Winter Conference is held in mid-February and highlights advocacy. While we wish politics did not play a role in education, we know having effective advocacy in Sacramento, a well-informed membership, and local Boards of Trustees who support our faculty and students are critical to our success. We also honor our Legislator of the Year at this conference.

Spring – Membership/Member Engagement

The Spring Conference is held in April and highlights membership accomplishments and various aspects of keeping our members engaged in the union. At this conference, we also highlight our “We Honor Ours” (WHO) Awards winners. This is a special program which honors our own local and state union leaders.
